

**EASA**

**Information on Agência Nacional de Aviação Civil  
(ANAC) Brazil Airworthiness Directive  
(AD) 2011-02-02**

Following EASA review of ANAC Brazil AD 2011-02-02, EASA has determined that the measure implemented by the subject ANAC Brazil AD is not within the scope of Regulation (EC) No 216/2008. Consequently this AD does not fall within the scope of [ED Decision 02/2003](#) and cannot be considered for adoption.

As a result, no corresponding EASA AD can be issued either on the same subject for aeroplanes registered or operating in Europe within the scope of Regulation (EC) No 216/2008.

In case you need further information, please contact EASA, Certification Directorate, Airworthiness Directives, Safety Management & Research Section.
