Comment # 1

May I ask you to include the clarification “unless already accomplished” in the Inspection paragraph?

“Inspection:

(1) Within 24 months after the effective date of this AD, **unless already accomplished**, accomplish a DET of the affected areas, as defined in this AD, in accordance with the instructions of the applicable SB.”

EASA response:

Comment not agreed. The sentence “required as indicated, unless accomplished previously” is already included in the Required Action(s) and Compliance Time(s) section of the AD, and it is applicable to all paragraphs, therefore, there is no need to repeat it in the specific paragraph of an AD. No changes have been made to the Final AD in response to this comment.
