Since publication of EASA PAD No.: 23-143, Airbus has published “Airbus A318/A319/A320/A321 ALS Part 3 Variation 9.1 dated 15 December 2023”. Can EASA anticipate the incorporation of this new publication for the AD related to Airworthiness Limitations Section Part 3 – Damage Tolerant Airworthiness Limitations Items?

EASA response:

Comment agreed. The Ref. Publications section in the Final AD has been updated accordingly in response to that comment.
