

Subject: EASA Safety Publication Tool – Log of Revisions**Ref. Publications:**[EASA Safety Publications Tool](#) website.**Applicability:**

All users registered in the EASA Safety Publications Tool (SPT).

Description:

This SIB lists the changes that, starting from 01 June 2026, have been implemented in the EASA Safety Publications Tool (SPT) taxonomy, including, but not limited to, additions of new aircraft types or models or changes to Type Certificate Holder names.

Each time this SIB is revised, all SPT users with an active notification filter for SIBs or for the affected type/model will receive a notification.

The following changes have been implemented:

Date	Change
08 June 2026	Pilatus PC12/47G has been added to the taxonomy.
01 June 2026	--

Recommendation(s):

EASA recommends that SPT users review this SIB periodically and, following receipt of any related SPT notification, update their filters accordingly.
