AIRWORTHINESS DIRECTIVE

This Airworthiness Directive, issued by the Civil Aviation Authority of Israel in accordance with the Israeli Air Navigation Regulations applies to an aircraft for which our records list as under your registration or you as the registered owner. It affects aviation safety and requires your immediate attention. No person may operate an aircraft to which an Airworthiness Directive applies, except in accordance with that Directive.

APPLIES TO: G280 Model Aircraft

SUBJECT: Doors (ATA 52) - Main Entrance Door (MED) Fittings – Discard and Replace.

REASON: Three in service reports to the design approval holder of forward (FWD) Main Entrance Door Fitting failures during opening/closing of the door.

ACTION: G280 operators to incorporate Aircraft Maintenance Manual AMM Revision 21 or later CAAI approved revision, as addressed in Life Limits and Maintenance Checks (ATA 05) for Main Entrance Doors Fittings (1400 flight cycles). This AMM revision also includes recently certificated alternative part numbers for the Nose Landing Gear Lower Torque Links and Nose Landing Gear Upper Torque Link – parts already listed in the ALS.

COMPLIANCE: Within 3 months from the effective date of this AD.

EFFECTIVE DATE: 26 July, 2026
