Supersedure	PAD 06-036 is not superseding CN F-2004-102, as this latter has already been cancelled thru its revision 1 ref. F-2004-102R1 on 27th April 2005. So please could you remove reference to CN F-2004-102 from the PAD and AD "Supersedure" space.	Valia SMITH Wide-Body Continued Airworthiness Engineer AIRBUS	08/03/2006	Comment accepted. The reference to CN F-2004-102 from the PAD and AD "Supersedure" space shall be removed.
